“Where the Gospel is Preached and People are Loved!”

Everything I Need to Know, I Learned from Noah

I came across this list of things that we can learn from Noah. It was written by an unknown author so I can't give adequate source credit. I found it interesting and I hope you will too.

- Don't miss the boat.
- Remember that we are all in the same boat.
- Plan ahead. It wasn't raining when Noah built the Ark.
- Stay fit. When you're 600 years old someone may ask you to do something really big.
- Don't listen to critics; just get on with the job that needs to be done.
- Build your future on high ground.
- Speed isn't everything. The snails were on board with the cheetahs.
- When you're stressed, float awhile.
- Remember the Ark was built by amateurs, the Titanic by professionals.
- No matter what the storm, when you are with God there's always a rainbow waiting.

I hope and pray that we will all strive to have a faith like Noah!
~Justin
